You can register as a screenarts user for emailed screenarts updates

www.screenarts.net.au

screenarts provides a single point of access to the range of Australian screen based art exhibitions online.

screenarts has been developed by the Australian Network for Art and Technology, in collaboration with the Sydney Intermedia Network and the Media Resource Centre. Assisted by the Australian Film Commission, screenarts promotes Australian screen-based exhibitions online, as well as assisting in the development of informed and critical debate for art and technology in Australia.
